TECHNICAL DATA SHEET

DESCRIPTION

Men's vest in a combination of quilted 3-layer front and back parts and lightweight knitted parts. The vest has a highly ergonomic and functional cut that supports freedom of movement. The combination of knitted and stitched materials ensures sufficient flexibility and breathability. The insulated parts are made of a pleasant light material with a filling that keeps the heat and protects against the wind. The vest is equipped with a continuous zipper with a chin cover, side zipper pockets, the overall design is completed by a hood. The sleeves and the remaining hood are lined with a designer edging elastic, reflective elements ensure better visibility.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

ČSN EN ISO 13688:2013 – Protective clothing - General requirements

The self-certification was carried out on the basis of the technical documentation of the product and practical tests of ergonomics propreties of the product by Ardon Safety s.r.o. on the 25th of September 2022

The NYPAXX® collection meets the requirements for health safety and is a holder of **OEKO-TEX®Standard 100 certification, PG020 certificate number 199787 OETI.**
