DESCRIPTION

A durable softshell work jacket with removable drawstring hood and underarm ventilation zippers for maximum comfort. The jacket has a functional membrane to stop you getting wet, while maintaining optimal breathability and wind resistance. The ergonomic, innovative 3D Silhouette cut and stretchy softshell ensure excellent freedom of movement and a perfect fit during more strenuous activities, while the practical pockets provide plenty of storage space. The adjustable jacket hem allows you to set the optimal width. Reflective elements for extra safety. Ideal for professionals who need reliable all-weather protection as well as stylish leisurewear.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

ČSN EN ISO 13688:2013 – Protective clothing - General requirements PPE of simple design against the minimum risks that may be quickly and safely recognised by the user.

CARTON WEIGHT	20 kg
CARTON SIZE	0,119 m ³
UNIT PACKAGING	of 1 pc

The service life depends on the degree of use and the rate of wear in the given conditions. Improper storage conditions, improper maintenance and care shorten the service life. The warranty period is 24 months. In no case should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected of adversely affecting the hygiene or health of the user. However, skin irritation is not excluded for sensitive people, in which case do not continue to wear clothing. Avoid fire and sources of intense heat.

No accessories or spare parts are intended for these garments. If clothing is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport preferably in the original packaging, protect from moisture and extreme temperatures. Dispose of ecologically after use.
